

ABOUT EAGLERISE POWER SYSTEMS (VISA MODEL)

Eaglerise Power Systems Inc. was created by Eaglerise Electric & Electronic (China) Co. Ltd as a Sales and Marketing Unit to service North American Magnetics' requirements. Based in Meridian, Idaho, our team is charged with identifying, and developing product groups designed for Commercial, Industrial and OEM applications.

STANDARD PRODUCTS

Power capability up to 12.5MVA
 Voltage class up to 34.5kV
 Winding material: copper/aluminum
 Core material: silicon steel/amorphous steel/air
 Electrical insulation system: UL E311398
 Certifications Available: UL/CSA/CE/VDE/ETL

Our Product offering consists of transformers from 25VA to 12.5MVA.

- Industrial Open Core & Coil
- Energy Efficient General Purpose Transformers
- Line Reactors
- Medium Voltage Distribution and Power Transformers

CUSTOM PRODUCTS

We can produce a broad range of custom products of dry-type transformers and reactors
 We design and build to your specification within the required delivery time.

Custom transformers and reactors include

- Excitation Transformers
- Rectifier Duty Transformers
- Large Indoor/Outdoor Current Limiting
- Air-Core Reactors
- 12, 18, and 24 Multi-Pulse Drive/Inverter Duty Transformers

VALUE ADDED

Eaglerise Power Systems delivers value not offered by its competitors that includes NEMA 3R, Primary and Secondary Lugs, DOE 2016 Compliance, Anti-vibration Pads and Wedge Anchors.

SHIPPING SECURED

Eaglerise Power Systems is committed to delivering a quality product that arrives as promised including Wooden Skeleton Crating, Tilt Indicators on X and Y Axis, Drop Indicators, and Symmetrical Interchangeable Panels.

INSTALLATION SIMPLIFIED

Eaglerise Power Systems understands the challenges faced by contractors, OEMs and MROs and addresses them with Extended Feet, Angled Ends, Oversized Holes, Gusseted Support, Front Mounted/Separated Terminations, and Larger Wiring Area.

A PARTNER

Eaglerise Power Systems has been a valued partner of companies around the globe for 3 decades through offering Individual Serial Numbers for Accountability, Guaranteeing Sale on "A" Items, Regional and Master Distribution Centers, 10 Year Warranties, 100% Testing, ISO Certification, and UL Listing.
